

RESOLUTION

Date: 3.01.22

Today dated 03.01-2022 a meeting of the G.B. was convened in the chamber of the Sub-Collector-cum-President G.B., Mangala Mahavidyalaya, Kakatpur with the President on the chair. Prof. A.K.Tripathy, Principal attended the meeting. A detail discussion was made on the given agenda and the following decisions were made: -

1. It was decided for the electrification of all Departments in which connections are damaged or no electric current is available due to torn wires.
2. As there is no supply of water to the Common Room of Boys and Girls. it was decided to give water supply connection soon to the Common Rooms which is a bare need of the students.
3. It was decided to repair the broken windows & doors soon as the examinations are scheduled to be held in mid-march.
4. It was decided to colour the ceiling woods to save it from white ants and other insets.
5. As the existing cycle stand is not sufficient to accommodate the cycles of two thousand students it was decided to construct a cycle stand.
6. As the Principal's Residence is in a wretched condition due to storm and rain, it was decided to repair the residence to make it useful. The principal is directed make an estimate from Govt. agencies.

The meeting was ended with thanks to the chair
